

# WHAT ANEEMATE IS

AneeMate is a creature collecting adventure: catch, raise and become your AneeMates. It is a creature shooter with a builder and farming, played single player or in co-op survival with friends. Early Access is free on Epic Games. The full release will be paid.

**GENRE**

Creature collecting adventure, creature shooter

**MODES**

Single player and co-op survival

**WHERE**

PC, Epic Games Store

**PRICE**

Free in Early Access, paid at full release

**RATING**

PEGI 3

## KEY MESSAGES

1. **Catch, raise, become.** Catch wild AneeMates, raise them, then become them.
2. **Build and farm.** Build your camp, plant a farm and give your AneeMates jobs.
3. **Alone or together.** Explore on your own, or survive the night with friends in co-op.
4. **Free in Early Access.** Play free on Epic Games today. Things still change as we build it with players.

## DO

- Show gameplay you recorded yourself.
- Say it is Early Access: features can still change.
- Mark sponsored posts with #AneeMatePartner or the platform's paid partnership label.
- Keep it kid friendly. AneeMate is rated PEGI 3.
- Tag @playaneemate and link the Epic Games page.
- Write AneeMate as one word, capital A and capital M.

## DO NOT

- No misleading claims: no fake features, fake leaks or "free forever" (the full release is paid).
- No promises about prices, rewards or earning money.
- No bad language, shock thumbnails or scary edits. Many viewers are kids.
- No long dashes in titles and captions. Use a comma, colon or full stop.
- Do not stretch, recolour or redraw the logo. Use the files in this kit.
- Do not reupload videos made by other creators or by us as your own.
